• Headrest

By supporting the neck in order to help maintain a good posture, it reduces fatigue from long hours of sitting.

• Backrest

Based on the "Dynamic Sitting theory, DUOREST's two separate backrests reduce the pressure that spreads on the waist, by covering spine and muscles of back.

• Adjustable Seat

Seat Depth Adjustment, which is essential for users above average height, provides comfort during long hours of sitting.

Duorest Smart

Dynamic sitting theory is applied to the backrest which reduces the weight to the back and spine by wrapping the back firmly.
